The Student-Parent Handbook is posted on the Saint Paul's webpage ([www.stpauls.com](http://www.stpauls.com)). All students and parents must read the handbook and then sign and return this form.

The Handbook focuses on general issues and also on Saint Paul's overall objectives.

The section on Student Conduct will be important to you on a day-to-day basis. Please pay special attention to this section so that you will know exactly what is expected of you—in particular, but not limited to – appearance, attendance, student conduct, school discipline, and sanctions. The guidelines outlined in this section are not meant to be comprehensive; they presuppose good will and good judgment on the part of the student and his parents.

The signing of this form is considered an agreement on the part of you and your parents that you are knowledgeable of school regulations and that you will comply with them.

The following are of particular importance as a member of the Saint Paul's School:

I will neither participate in nor tolerate academic dishonesty.

I will abide by the school dress and appearance regulations.

I will respect the property of the school and of others, and I will insist that all do the same.

I will treat others with dignity and respect.

In all of my activities – academic, athletic, spiritual, and social – I will act in the manner appropriate for the occasion on or off campus.
