

# Campus Ministry & Religion Department

The **Office of Campus Ministry** works to infuse each of the five Lasallian Core Principles into the daily life of the school and throughout each student's Saint Paul's experience. We are blessed to be the home of two Christian Brothers' Communities: Brother Charles Crouzet Community and The Saint Paul's Retired Brothers' Community, who provide an ongoing witness and support to our larger school community.

The **Religion Department** follows the curriculum and standards required by the United States Conference of Catholic Bishops, as well as all directives by the Office of Catholic Schools of the Archdiocese of New Orleans. All levels have a strong emphasis on the study of the sacred scripture and the Catechism of the Catholic Church. Prayer and reflection are infused throughout the school day, in class, in Our Lady of Peace Chapel and on our forty acre campus.
