

Mathematics Department

The **Mathematics Department**'s curriculum in regular and honors courses prepares students for college mathematics and beyond. ACT and SAT prep are common threads. Advanced Placement courses are available to juniors and seniors. Dual Enrollment classes through Southeastern Louisiana University are offered. The curriculum for all grades surpasses the state's requirements.

Department Members:

Ms. Michelle Baudoin, MEd
Dr. Shannon D'Hemecourt, Ph D
Mr. Gabe Emerson, BS
Mrs. Elizabeth Grashoff, MEd
Mr. Grant Gussman, BA
Mrs. Susan Jordan, MJ
Mr. Alex Lacour, BS
Mrs. Kitty Pellisier, BS
Mr. Richard Pichon, BA
Mrs. Audrey Pool, BA

Special Activities:

- Mu Alpha Theta – The National Math Honor Society
- Mu Alpha Theta State Convention
- Saint Paul's Math Tournament is held each year hosting twenty-four schools and 400 students from schools throughout Louisiana
- Over 100 students compete in six Math tournaments throughout the year
- Saint Paul's students have served as governor on the Mu Alpha Theta state board representing District III for twelve years

Awards and Recognitions:
