

Join us for a fun evening of dinner followed by dancing and learn more about the Five Core Principles. In 1680, Saint John Baptist de La Salle, the Founder of the Institute of the Brothers of the Christian Schools and the patron saint of teachers, began his first school in Reims, France. Now with educational institutions in more than eighty countries, they have been influenced by the vision and innovative spirit of Saint John Baptist de La Salle. Lasallian Education centers on Catholic values and personal relationships, emphasizing academic excellence, faith formation, inclusion, respect for the individual, service and social justice, giving birth to the Five Core Principles.

Saint Paul's School invites you to join us for an evening to explore more in depth these Five Core Principles on Thursday, March 9, 2023. Come wine and dine while learning about the Lasallian Catholic culture of our school and the principals that guide us! A live band and dancing will follow dinner.
